

WELDING GEAR AND TOOLS

Welding Gear

Personal protective wear includes fire retardant welding gloves, clothing, caps and doo rags, and face protection including glasses, cutting goggles, and shields. Get a complete package without welding bags. VIKING™ Auto Darkening Helmets are lightweight, comfortable and full of features. Welding tools include rod ovens to prevent moisture pick up in stick electrode, wire brushes for cleaning steel, curtains and blankets for protection.

SEE AND BE SEEN.

Lincoln Electric 4C® Lens Technology lets you see the puddle like never before.

The proprietary liquid crystal display (LCD) has a perfect optical rating and alters the visible color spectrum of the lens.

This provides the user an unparalleled view of the arc, puddle and base material while reducing eye strain.
